Chapter Updates

The Prestigious brothers are currently doing a Major Mills Music Mission event called the "Mills Music Marathon". We are visiting the high schools listed below: Heritage, Smithfield, Phoebus and King's Fork to help mentor and guide the band students musically alongside their respected band directors.

Saturday, March 23rd, there will be a Pi Beta 25th anniversary dinner and award ceremony. There will be more information to come as the time gets closer. If there are any questions, feel free to contact Avery Merchant here: averymerchant@gmail.com
